The Division of Polymer Chemistry gratefully acknowledges the support of the 41 Industrial sponsors listed above. Each Company contributes \$1000 yearly to support polymer education and other polymer development activities.

The major programs which are currently supported include: the Polymer Education Newsletter (PEN), Workshops at schools to help introduce polymer education, the Undergraduate Summer Scholarship Program, the Summer Student Employment Program, the Polymer Curriculum Development Award, Tutorials and Free Short Courses on Polymer Science at National and Regional Meetings. A new program was initiated last year for **Improving the Public Perception of Polymers**. The 1990 **Annual Meeting of Sponsors** featured a private Minisymposium on **International Competiveness and Cooperation**. The 1989 meeting was presented a public panel discussion on **Polymer Recycling — The Key Issues**. The 1988 meeting was private on **Technology Transfer from Universities and Government to Industry**. A video tape of these informative programs was provided free to the **Industrial Sponsors** and can be purchased by others for \$50 per copy. Send orders to E.J. Vandenberg, 16223 Inca Avenue, Fountain Hills, AZ 85268, with check made out to Division of Polymer Chemistry.

Other companies may join this program by sending \$1000 to the treasurer, Dr. W.H. Daly, Louisiana State University, Department of Chemistry, Baton Rouge, LA 70803. Additional information may be obtained from the Division Newsletter or from the Industrial Liaison Committee which monitors this program: E.J. Vandenberg, Coordinator, (602-837-9559), M. Jaffe, W. Daly, K. Wagener, J. Collette, R. Stackman, K. Matyjaszewski, R. Faust and R. Storey.
