The Division of Polymer Chemistry gratefully acknowledges the support of the 35 Industrial sponsors listed above. Each Company contributes \$1000 yearly to support polymer education and other polymer development activities.

The major programs which are currently supported include: the Polymer Education Newsletter (PEN), Workshops at schools to help introduce polymer education, the Undergraduate Summer Scholarship Program, the Summer Student Employment Program, the Polymer Curriculum Development Award, Tutorials and Free Short Courses on Polymer Science at National and Regional Meetings, and a new program for **Improving the Public Perception of Polymers**. The **1992 Annual Meeting of Sponsors** at the Washington, D.C. ACS meeting featured a Minisymposium on **Polymer Industry and R&D in Eastern Europe**. The **1993 Annual Meeting** at the Chicago ACS meeting on August 24, 1993 will feature a Minisymposium on **Research for Dollars**. Prior Annual Meetings covered: **Interdisciplinary Research and Education for the Future (1991)**, **International Competiveness and Cooperation (1990)**, **Polymer Recycling-the Key issues (1989)** and **Technology Transfer from Universities and Government to Industry (1988)**. Video tapes of these prior programs (not 1992) was provided free to the **Industrial Sponsors** and can be purchased by others for \$50 per copy. Send orders to E.J. Vandenberg, 16223 Inca Ave., Fountain Hills, AZ 85268 with check to Division of Polymer Chemistry.

Other companies may join this program by sending \$1000 to the treasurer, Dr. Thomas J. Pacansky, Exxon Chemical Co., 1900 E. Linden Ave., Linden, NJ 07036. Additional information may be obtained from the Division Newsletter or from E.J. Vandenberg, Industrial Sponsor Coordinator (602-837-9559).
