

Industrial Advisory Board (IAB) Committee Meeting
ACS National Meeting
Chicago Convention Center, Chicago, IL
Monday, March 27, 2007, 7:30 AM – 9:00 AM

Chair: Robert S. Moore, Kodak Retired
Vice Chair: Ann Salamone, Rochal

In Attendance:

Ersin Acar, Bogazici University, Turkey
Kathryn Beers, NIST/OSTP
Daniel Brunelle, GE Global Research
Susan Butts, Dow
Greg Chambers, GE Global Research
H. N. Cheng, Hercules
Bret Chrisholm, North Dakota State
University
Bill Daly, LSU
Carol L. Fasoldt, GE Global Research
Michael Fevola, Johnson and Johnson
John Flock, Former GE
Dana Garcia
Diana Gerbi, 3M
Greg Gilletta, GE Global Research
Les Goff, Noetic Technologies, Inc.
Peter Grasse, 3M
Erik Hagbert, GE Plastics

Karl Haider, Bayer Materials Research
Janelle Hampton, Philip Morris USA
Christine Landry-Coltrain, Eastman Kodak
Lesia Linkous, ACS Division of Polymer
Chemistry
Cathy Markowski, GE Global Research
Erica Martin, Rohm & Haas Company
Pat McCloskey, GE Global Research
Robert S. Moore, Kodak, retired
Sarah Morgan, University of Southern
Mississippi
Tara Mullen, GE Plastics
Roy Odle, GE Plastics
Joe Pickel, Oak Ridge National Lab
James Pickett, GE Global Research
John Pochan, Cornell University
Ann Salamone, Rochal
Joe Salamone, RPI
Joe Suriano, GE Global Research
Cindy Williams
Frank Williams, GE, retired
Among others

Chairman Moore opened the meeting and provided those in attendance with minutes from the September 2007 IAB Meeting.

Motion: To approve the minutes from the IAB meeting of September 2007. Motion approved unanimously.

Introductory remarks and background

Moore and Salamone welcomed those in attendance and provided informational slides and a program explaining the IAB Purpose, Function, Dues, Officers and Current Members. Specific topics included:

- Board Function to provide strategic recommendations to POLY on future programming topics, Awards, and Education.
 - o Polymer Science of Everyday Things Workshop and Symposium: The goal is to explain the underlying science behind the ubiquity of polymers in their many applications. This event is jointly organized by POLY and the Industry and Tech. Forum of the Royal Society of Chemistry. The target audience is for K-12

science teachers as well as ACS Scientists. The August 2007 Symposium topic in Boston, MA will focus on Polymers in Medical Devices.

- Interaction with the Intersociety Polymer Education Council (IPEC)
- Board recognition through participation in lectures at pertinent symposia as well as utilization of corporate logos through ACS Displays, POLY Newsletters, and postings for Sponsored events.
- IAB donation \$1,000.00 per year.
- Upcoming Board Meetings scheduled for
 - o August 21, 2007 – Boston
 - o April 7, 2008 – New Orleans
 - o August 18, 2008 – Philadelphia

The business meeting adjourned at 8:20 AM

2007 ACS Earle B. Barnes Award Breakfast – Frank J. Williams

The IAB event continued with the Award Address by Frank J. Williams, winner of the 2007 ACS Earle B. Barnes Award for Leadership in Chemical Research Management. Williams, GE retired, presented on “Leadership in a Changing World”. He received a recognition plaque and \$5,000.00 on Tuesday, March 27, 2007 at the Fairmont Chicago Hotel.

- Breakfast and Award Address co-sponsored by IAB and GE Global Research
- Award sponsored by Dow Chemical Company

The event adjourned at 9:00 AM

Respectfully submitted, Lesia Linkous
